

# Want You Gone

Jonathon Coulton

Well here we are again It's always such a pleasure Remember when you tried to  
kill me twice? Oh how we laughed and laughed Except I wasn't laughing Under the cir-cum-stan-ces  
I've been shockingly nice You want your free-dom take it That's what I'm count-ing on  
I used to want you dead but now I on-ly want you go - o-one She was a lot like you  
(Maybe not quite as heavy) Now lit-tle Car-o-line is in here too One day they woke me up  
So I could live forev-er It's such a shame the same will ne-ver happen to you You've got your short  
sad life left That's what I'm count-ing on I'll let you get right to it now  
I on-ly want you go - o-one Good-bye my on-ly friend Oh, did you think I meant you?  
That would be fun-ny if it weren't so sad Well you have been replaced I don't need an - yone now  
When I del-ete you may-be I'll stop feel-ing so bad Go make some new dis - a - ster  
That's what I'm count-ing on You're some one el - se's prob-lem Now I on-ly want you go - o-one  
Now I on-ly want you go - o-one Now I on-ly want you gone

Well here we are a-gain It's al-ways such a plea-sure

Re-mem-ber when you tried to kill me twice? Oh how we laughed and laughed

Except I wasn't laughing Under the circumstances I've been shockingly nice You want your free-

- dom take it That's what I'm count-ing on I used to want you dead but now

I only want you go - o-one She was a lot like you (Maybe not quite as heavy)

Now little Car-o-line is in here too One day they woke me up So I could live forev-er

It's such a shame the same will ne-ver happen to you You've got your short sad life left

That's what I'm count-ing on I'll let you get right to it now I on-ly want you go-

- o-one Goodbye my only friend Oh, did you think I meant you? That would be funny if it

weren't so sad Well you have been replaced I don't need an - yone now When I delete you maybe

I'll stop feel-ing so bad Go make some new dis - a - ster That's what I'm count-

ing on You're some-one el - se's prob - lem Now I on-ly want you go-

- o-one Now I on-ly want you go - o-one Now I on-ly want you gone
